

Calvary Baptist School Snow Day Policy 2011-2012

Severe weather may force the temporary closing of school. In the event of an overnight snow storm, please tune to Today's TMJ4 (Channel 4) or its website and follow news bulletins announcing the school closing. School closings will also be posted on the home page of our website. Please find listed below some snow day guidelines:

- 1) Calvary Baptist School will be closed if either Menomonee Falls or Germantown School Districts are closed or if the administration decides it is needed.
- 2) In the event a daytime storm forces the school to close before regular dismissal, children will be sent home early. If no one is home during the day, please make certain the office is aware of where your children are to go or what to do until other family members arrive home.
- 3) If Germantown Public School has a delay in starting and Menomonee Falls does not, or vice versa, Calvary Baptist School will start at the regular time.
- 4) If you feel that conditions are such that you do not feel safe driving and school is still in session, you have the option of keeping your children home. An excused absence will be given to students when a signed note from the parent is received in the school office.
